ACCOMMODATION CONTRACT – Terms and Conditions of Sale

TITLE I - Preliminary provisions
1. Ownership and Purpose
1.1. The campsite "PuntAla Camp & Resort" is owned by Campeggio Puntala S.r.l., with registered office in Castiglione della Pescaia, località Punta Ala, VAT No. 01233070539 and Tax Code 00225550532, hereinafter referred to as "Campeggio Puntala".
1.2. Campeggio Puntala provides its customers with the services falling within the management of open-air accommodation facilities pursuant to art. 27 et seq. of Tuscany Regional Law no. 61 of 31 December 2024 and its implementing regulations.

TITLE II - Procedures
CHAPTER I - Provision of the service

SECTION I - Persons admitted to the service
2. Admissions
2.1. The tourist accommodation service is provided exclusively to groups of tourists consisting of a maximum of six members, within the limits of the spaces made available to them and, in the case of pitches, allowing the installation of a maximum of three tents in total or of two tents and one mobile overnight vehicle, provided that the total authorised accommodation capacity of the facility is not exceeded, in accordance with the regulations in force.
2.2. The service is not provided to groups, however formed, unless expressly authorised in advance by the management.
2.3. A specific area within the accommodation facility is reserved for persons under the age of 25 who do not form a family unit or are not guests of customers.

3. Accommodation of minors at Puntala Camp & Resort
3.1. Pursuant to art. 109 of the Italian Consolidated Law on Public Security (T.U.L.P.S.), Campeggio Puntala may only accommodate persons holding a valid identity card or other valid document suitable to prove their identity in accordance with the regulations in force.
3.2. An unaccompanied minor, even if holding a valid identity document, cannot be accommodated without a written authorisation for the stay signed by the parents, declaring that they are responsible for the minor's activities. In the case of an unaccompanied minor, Campeggio Puntala may contact the parent to obtain from him/her the written authorisation for the stay at the facility, which must be provided to Campeggio Puntala by completing and signing the specific form supplied by it, releasing the latter from liability, together with a copy of a valid document. If Campeggio Puntala is unable to contact either parent, the minor may be accompanied or asked to go to the Police Headquarters (Questura) to request a certificate authorising the stay.
3.3. Where a minor is accompanied by an adult other than the parents, the adult must obtain the consent of the minor's parents and follow the procedure as if the minor were part of a family unit. A minor accompanied by an adult other than the parents must therefore necessarily hold the written consent of at least one of the parents to the stay at the facility, by completing and signing the specific form supplied by Campeggio Puntala, releasing Campeggio Puntala from liability, together with a copy of a valid document. Failing this, Campeggio Puntala may contact at least one of the parents for written confirmation of consent to the stay, releasing Campeggio Puntala from liability, and also requesting a copy of a valid document. If such consent is missing and it is not possible to contact at least one of the parents, Campeggio Puntala may ask the adult and the minor to go to the Police Headquarters (Questura) for an appropriate certificate.
3.4. All adults without a suitable original identity document may be asked to go to the Police Headquarters (Questura).

4. Visitors
4.1. Customers are permitted to receive visitors within the accommodation facility.
4.2. Visitors are admitted subject to payment of the applicable fee, where provided for.

SECTION II - Bookings and length of stay

5. Booking and payment of the stay
5.1. The tourist accommodation service of PuntAla Camp & Resort is provided by booking only.

5.3. Any additional services requested by the customer when booking the stay must be paid in full at the time of booking.
5.4. Campeggio Puntala reserves the right to introduce new rates and to modify, prior to booking, the rates indicated in this article, the amount and terms of the relevant payments and those of additional services, by simple notice given to the Customer during the booking process. By signing this contract, the Customer hereby accepts that any new rates introduced by Campeggio Puntala, as well as any changes to the rates indicated in this article, to the amount and terms of the relevant payments and those of additional services, shall be those applied by Campeggio Puntala at the time of booking.

6. Right of withdrawal, penalty clause, cancellations, changes
6.1. The customer may cancel the booking at any time by giving written notice of cancellation to Campeggio Puntala, subject to the provisions below.
6.2. "PROMO/PROMOTIONAL" RATE: the booking is non-refundable and cannot be changed; cancellation does not entitle the customer to a refund of the amounts paid pursuant to art. 5 above.
6.3. "WALK IN" RATE: the booking is non-refundable and cannot be changed; cancellation does not entitle the customer to a refund of the amounts paid pursuant to art. 5.
6.4 "FLEX/FLEXIBLE" RATE: the booking may be changed until 5:00 p.m. on the day of arrival, subject to a fixed penalty of EUR 200.00; any price differences will be adjusted (upwards or downwards) according to the price list in force at the time of rescheduling; after this deadline, no changes are permitted; the booking is refundable until 5:00 p.m. on the day of arrival, subject to a fixed penalty of EUR 200.00, which will be withheld/charged; after this deadline, no refund is due.
6.5. "STANDARD" RATE: the booking is non-refundable; however, it may be changed until 5:00 p.m. on the day of arrival, subject to a fixed penalty of EUR 200.00; any price differences will be adjusted (upwards or downwards) according to the price list in force at the time of rescheduling; after this deadline, no changes are permitted.
6.6. The further contractual consequences provided for in the event of late arrival or "no-show", governed by arts. 12 and 39, remain unaffected.

7. Length of stay, early departure
7.1. For purchased stays, the length of the stay is that indicated in the booking. Payment of the entire price agreed for the stay is due even if the customer waives all or part of it. The total period of stay may not exceed 28 nights. Any extension of the length of the stay must be expressly authorised by the Help Desk.
7.2. The booking is personal and may not be transferred by the customer to third parties for any reason whatsoever.

8 Maintenance works
8.1. The customer acknowledges that, at PuntAla Camp & Resort, in the periods from 20 April to 28 June 2027 and from 31 August to 4 October 2027, both dates inclusive, there may be active construction sites for the performance of maintenance works. These activities may cause temporary inconvenience during the stay. The presence and performance of the above activities shall not in themselves entitle the customer to price reductions or compensation, without prejudice to the mandatory rights granted to the customer by law.
8.2. Outside the periods indicated above, during the opening season of the facility, there may be non-active construction sites, appropriately fenced off and signposted.

9. Exclusions
9.1. Campeggio Puntala does not enter into contracts for the entire season.

10. Tourist tax

10.1. The municipal tourist tax, where due, is requested and collected by Campeggio Puntala at the time of booking, on the basis of the municipal rates and provisions in force. Any adjustments or refunds will be made in accordance with the applicable legislation, ideally by the end of the stay.

11. Arrival and registration
11.1. At the time of registration, the customer and his/her visitors must provide Campeggio Puntala with their personal details; in the event of subsequent changes concerning the persons of the visitors, the customer undertakes to inform Campeggio Puntala on the same day. Campeggio Puntala reserves the right to collect any data or information that may be requested by the Authorities, including the health authorities.
11.2. For Customers staying in an accommodation unit provided by Campeggio Puntala, entry to the facility and delivery of the access keys (analogue or electronic) are permitted from 6:00 p.m. on the day of arrival, unless otherwise agreed with the Help Desk.
11.3. For Customers staying with their own camping equipment, entry to the facility and occupation of the pitch are permitted from 12:00 noon on the day of arrival, unless otherwise agreed with the Help Desk.

12. Late arrival, "no-show" and penalty clause
12.1. The customer is permitted to arrive later than the scheduled date, but no later than 5:00 p.m. on the following day.
12.2. In the event of late arrival and until arrival, the customer shall in any case be charged the daily cost of the assigned resource at the agreed rate.
12.3. After 5:00 p.m. on the day following the scheduled arrival date ("no-show"), the contract between Campeggio Puntala and the customer shall be automatically terminated, the resource shall be returned to the availability of Campeggio Puntala and, as a penalty, the price of the entire stay booked by the customer shall be retained, even if the stay actually enjoyed is shorter, without prejudice to compensation for further damage.

13. Pitch allocation ("Camping" customers)
13.1. The customer is required to occupy the pitch allocated in advance by the Help Desk.
13.2. Occupying a pitch other than the one allocated is permitted only with the express written authorisation of the Help Desk, with completion of a new registration procedure.
13.3. Pitches are identified by a specific number marker or by explicit indication of the Help Desk.

14. Inspection and acceptance of the condition of the accommodation
14.1. On entering the assigned accommodation, the customer must check its general condition, paying particular attention to cleanliness, the integrity of furniture and equipment, and the absence of faults or defects (malfunctions, breakages, structural or system anomalies). To facilitate this check, a QR code is available inside the accommodation giving access to a digital inspection form, where the customer can indicate whether everything is in order or whether any problems have been found. In particular, if the customer reports a problem by completing the form (negative outcome), Campeggio Puntala staff will take action as soon as possible to verify the report and restore optimal conditions; if the customer confirms that everything is in order (positive outcome), or does not complete the form or report any anomaly within 24 hours of entry, the condition of the accommodation shall be deemed accepted without reservation. After this deadline, no requests for refunds, discounts or complaints relating to cleanliness or pre-existing problems that can no longer be verified will be accepted; any work carried out independently by the customer (e.g. personal cleaning, DIY repairs) shall preclude any form of compensation.
14.2. Campeggio Puntala nevertheless remains available for any further assistance during the stay, provided that reports are made in a timely and verifiable manner.

15. Departure - Delay. Compensation for damage
15.1. The customer must leave the accommodation facility on the last day of the stay, within the following times: - by 12:00 noon, if staying with their own camper, caravan or tent; - by 9:00 a.m., if staying in accommodation units owned by Campeggio Puntala. The customer is strictly required to vacate the occupied accommodation within the above times; if the customer vacates the accommodation late, he/she shall pay Campeggio Puntala a charge also for the period of delay, equal, for each day or part of a day of failure to vacate, to the base price applicable to each single night of delay, according to the rate applicable to the resource purchased, even if a more favourable rate was applied

to the stay, without prejudice to the obligation to compensate for greater damage (art. 1591 of the Italian Civil Code), for example where it is impossible to reallocate the spaces not vacated.

16. Payment
16.1. Payment of any balance of the stay and of the amounts still due for additional services or other outstanding items relating to the stay may be made by charging the credit card provided by the customer as a guarantee, within the limits of the authorisation given by the customer, subject to prior notice, by e-mail or telephone messaging, of the amounts and the reasons for them. Guests have 24 hours to make complaints by replying to the notice. After this period, Campeggio Puntala will issue the tax document. Alternatively, the customer may request that a payment link be sent by e-mail in order to settle the balance directly.
16.2. The customer is required to show, where requested, the documentation proving such payment, also in electronic format, to the staff responsible for checks upon departure from the facility.
16.3. The issue of the tax document, even in electronic form, precludes the customer and/or his/her visitors from making complaints and/or any other claims against Campeggio Puntala, which must therefore be made before the formalities preceding it.

17. No smoking
17.1. Smoking is prohibited throughout the entire area of Puntala Camp & Resort, including the beach under concession, except in the areas marked with specific information signs where smoking is permitted, such as, by way of non-exhaustive example, the outdoor terraces/patios belonging to the accommodation units, the camper, caravan and tent pitches set up by campers, and other specifically marked areas.
17.2. Each breach of the above prohibition, ascertained by the staff appointed by Campeggio Puntala S.r.l., entails the payment by the customer to Campeggio Puntala S.r.l. of a contractual penalty of € 50.00, which will be charged to the customer in the final bill of the stay and must be paid no later than check-out. The sums collected from such penalties may be donated by Campeggio Puntala to charities working in the field of health and/or the fight against smoking.

18. Respect for vegetation
18.1. It is forbidden to alter in any way and by any means the existing flora within the facility, and to hang hammocks and/or clotheslines between the vegetation.
18.2. Where such a breach is ascertained, art. 21 paragraph 2 of this contract shall apply, without prejudice to the application of art. 40 hereof.

19. Lighting fires
19.1. It is forbidden to light open fires throughout the area of the accommodation facility and its appurtenances.
19.2. Any more restrictive rules of the authorities responsible for the protection and conservation of the natural heritage remain unaffected.
19.3. The use of the barbecue grills located within the facility is permitted only on days when there is no "moderate" wind exceeding force 3 on the Beaufort scale (wind speed between 5.5 and 8 m/s) and strictly in accordance with the instructions for use displayed at each grill.
19.4. The use of gas stoves on the pitches is permitted at a distance of more than 1.5 metres from the surrounding vegetation and from tent fabrics.

21. Use of cables and electrical equipment
21.1. It is forbidden to obstruct the roads and paths within the accommodation facility with cables and/or any other device for drawing electricity; it is also forbidden to rest them on the surrounding vegetation.

22. Use of sound equipment
22.1. It is forbidden, at any time of the day or night, to use musical instruments or any other means capable of emitting sound, such as, by way of non-exhaustive example, TVs, radios, computers, magnetic or digital media players, without the use of suitable earphones.

The use of the static playground is always permitted. The Management may, at its sole discretion, grant exceptions for entertainment activities.

Owners or handlers of noisy or dangerous animals who do not comply with the rules or who give rise to complaints will be asked to remove the animals or to leave the facility immediately.
24.3 Pets are allowed in the other areas of the facility not indicated in paragraphs 1 and 2 of this article, and in the overnight accommodation area, only upon purchase of the "PET FRIENDLY" service, which can be booked and is subject to availability. The purchase of the "PET FRIENDLY" service allows access and stay for a maximum of two pets per booking, in compliance with the conditions set out in this article. Campeggio Puntala S.r.l. reserves the right to revoke the pet's access to the facility at its sole discretion and in any case where the conditions set out in points A, B and C of paragraph 2 of this article are not met and/or complied with, without any refund of the amounts paid. Guide dogs and assistance dogs for persons with disabilities are in any case allowed in the campsite.
24.4. Owners or handlers are liable for any damage caused by the animals to third parties and to the campsite facilities. Owners or handlers must ensure the utmost respect for hygiene and health regulations when accessing the campsite and its facilities.

25. Changes to the pitch
25.1. It is forbidden to alter in any way the condition of the assigned pitch, unless this is justified by particularly adverse weather conditions endangering the safety of persons and/or property; in such a case the customer is required to restore the site to its original condition immediately once such conditions have ceased, entirely at his/her own care and expense.

26. Playgrounds
26.1. Children over the age of 12 are not allowed to use the static playgrounds.

28. Cars
28.1. PuntAla Camp & Resort is equipped with a vehicle access control system based on licence plate recognition of cars or campers; the licence plates must be communicated to Campeggio Puntala, at the time of booking or at the latest at check-in, by each guest in whose name the stay is booked (for a maximum of one vehicle per group) in order to access the facility in the manner and at the times indicated below. Without this information being provided by the guests in whose name the stay is booked, they will not be able to pass through the gates in question. Campeggio Puntala provides the privacy notice on the processing of the above data.
28.2. The use of cars is permitted only for unloading camping equipment and luggage on arrival and loading them on departure.
28.3. Each of these operations may not take longer than 2 hours, unless expressly authorised in writing by the Management.

33. Damage or theft. Liability

33.1. Campeggio Puntala is not liable for any damage to or theft of cars, motorcycles, bicycles and vehicles and means of transport in general, or of items left in them, while parked within the facility or in the parking areas belonging to it, nor for items left within the campsite, including, by way of non-exhaustive example, inside tents, trailer tents, campers/motorhomes, caravans and other units set up by guests on the pitch.

34. In case of fire
34.1. Special alarm systems (acoustic sirens) are installed within the facility which, in the event of a serious fire, will sound at regular intervals. Should this occur, customers must proceed in an orderly manner to the "temporary assembly points" indicated by specific signs located on Via Cinghiale, on Via PuntAla near the pedestrian gate at the corner of Via Tasso, and in the large square beside the tennis courts near the pedestrian gate opposite the Reception, where they will wait for the emergency team to carry out the evacuation.

36.2. In the event of loss, failure to return or damage attributable to the customer and/or his/her visitors of the equipment and items made available by Campeggio Puntala, such as to render them unusable, the customer shall pay the following predetermined amounts as compensation for damage: travel cot with mattress, € 75.00; child high chair, € 65.00; bed guard rail (single), € 40.00; gas cylinder, € 35.00; camper kit, € 110.00. 36.3. For equipment covered by separate rental contracts, the specific provisions of those contracts remain unaffected, including with regard to the customer's liability for damage, loss or failure to return the equipment and any contractual penalties.

37. Liability of the Campsite
37.1. The facility accepts no liability with regard to accommodation rates and/or compensation for damage in the event of temporary lack of electricity or water or technical failures of the systems; it is not liable for theft of objects (bicycles and vehicles in general) or money occurring within the facility and its appurtenances, or of items left within the campsite, including, by way of non-exhaustive example, inside tents, trailer tents, campers/motorhomes, caravans and other units set up by guests on the pitch. It is liable within the limits of its insurance with regard to money deposited; it is not liable for accidents caused by natural elements such as wind, rain and the like, for falling branches, pine cones or other plant parts (resin, needles, leaves), whether or not in connection with weather events, or for the presence in the wooded area of the facility of any kind of insects, arachnids, reptiles, birds, mammals or wild animals that are normally present in a Mediterranean forest such as the one in which the campsite is located and which form part of it, the customer acknowledging that this is inherent in the characteristics of the place where the facility is located; it is not liable for accidents caused by guests or by their equipment or mobile units.
37.2. Should Campeggio Puntala, in order to comply with legal and/or safety obligations and/or to safeguard the pine forest, be obliged to fell trees and/or any type of vegetation, inevitably reducing the shaded areas within the facility, the customer expressly releases Campeggio Puntala from any liability towards him/her for not having been able to enjoy the pre-existing shade that is no longer available and for any disturbance caused by the necessary operations.

38. Lost or abandoned items

39. Termination and penalty clause
39.1. Breach of arts. 18 paragraph 1 first part, 19 paragraph 1, 23 paragraph 1, 31 paragraph 2 and 32 paragraph 2 of this contract entails its immediate termination, with the obligation of the customer and his/her visitors to leave the accommodation facility within 6 hours of receiving notice of termination and, as a penalty clause, to pay the price of the entire stay booked, even if the stay actually enjoyed is shorter, with Campeggio Puntala being entitled to compensation for damage.
39.2. Any late arrival after 5:00 p.m. on the day following the scheduled arrival date ("no-show") shall entail the immediate termination of this contract, with Campeggio Puntala being entitled to charge the customer a penalty equal to the price of the entire stay booked, even if the stay actually enjoyed is shorter, without prejudice to compensation for further damage.

40. Changes
40.1. Any change to the conditions of provision of the camping service that does not conflict with the rules of this contract is made public by posting on the notice board for communications located at the entrance to the facility.
40.2. Any changes authorised for an individual customer are communicated to him/her in writing and must be shown at the simple request of the staff of the accommodation facility. Such an exception does not give rise to an equivalent right in favour of third parties.

41. Disputes
41.1. This contract is governed by Italian law and, for any interpretation of its contents or for anything not provided for herein, express reference is made to the provisions of law and, failing these, to customs and usage.

42. Assignment of the contract
42.1. This contract and the rights and obligations arising from it shall be automatically transferred, without the need for any consent from the customer, as a result of mergers, incorporations, transfers of business or business units concerning Campeggio Puntala only.
42.2. Campeggio Puntala does not accept the assignment of this contract by the customer to third parties.

43. Internal Rules
43.1. The customer is required to comply with the internal rules of the facility, which are posted at the entrance to the facility and are viewable and available for download on the website www.campingpuntala.it, and which, by signing this contract, the customer declares to have read in full and accepted.

44. Final clauses
44.1. Any tolerance on the part of Campeggio Puntala with regard to conduct of customers and/or their visitors in breach of the provisions of this contract shall not constitute a waiver of the relevant rights to which it is entitled under those clauses.
44.2. Should any contractual clause, for any reason, prove not to comply with mandatory provisions of law, that clause shall be ineffective, without prejudice to the validity of the remaining clauses.
44.3. This contract constitutes the entire agreement between the parties and fully governs their rights and obligations with regard to its subject matter. Any previous and different written or oral agreement, whether between the parties or towards third parties, concerning this contract shall be deemed cancelled and without effect.
